UNIFORM POLICY

The SEED Uniform Policy

All SEED scholars are expected to be in the full appropriate SEED uniform throughout the academic day. The SEED uniform contributes to ensuring a safe and secure campus in addition to the overall sense of unity as a school community. It enhances the learning atmosphere, adds a sense of pride, and promotes respect for oneself and others. It also builds school and community spirit, and, more significantly, helps to maintain high academic standards and social-emotional development among scholars.

Scholars must check into school with the appropriate number of uniforms for the week and have appropriate clothing for the boarding program. Each week at check-in, student life staff will make every effort to ensure that scholars are properly outfitted for the week, although it is the responsibility of parents and scholars to come to campus fully prepared for the week ahead. In the event your child is not properly outfitted for the week, parents will be called and asked to bring appropriate uniforms and other clothing to campus by 7:00 a.m. the next morning.

Scholars will not be allowed off the residence hall floor without being in proper SEED uniform. If for some reason, scholars make it off the residence hall floor without the appropriate uniform item(s), parents should expect to receive a call regarding their child's uniform violation.

In the event that a scholar does not have the appropriate uniform at school, parents will be expected to bring their child all of the needed uniform pieces.

+ Scholars not in proper school uniform during the academic day will receive a disciplinary response from an administrator.

ANUNCIOS DE LA CLASE 2024

The SEED Foundation Scholarship

SCHOLARSHIP OVERVIEW

The SEED Foundation Scholarship Committee will award up to **21 scholarships for eligible high school juniors attending a school within the SEED network**. The scholarships are designed to help cover a portion of a SEED School student's unmet need for the cost of attendance at right fit college or university. Unmet need is defined as the difference between the total cost of attendance at a college or university and the student's final financial aid package. These awards are often referred to as **gap scholarships**. **The scholarship will most likely NOT cover the entire difference.**

Pending funding each year, **recipients can renew the scholarship and receive funding for a total of four consecutive years**. The maximum amount of the SEED Foundation Scholarship is determined annually in late spring.

ELIGIBILITY REQUIREMENTS

Applicants must be juniors graduating in June 2025 at The SEED School of Washington, D.C., The SEED School of Maryland, or The SEED School of Miami. **Applicants who receive the award must immediately enroll the fall after their June 2025 graduation in a full-time undergraduate program at a right fit college or university**. Recipients will need to meet additional requirements before receiving their scholarship (e.g. attend SGI, attend a summer scholarship meeting, provide financial aid award letter, account balance, etc.). Right fit colleges and universities are those that meet SEED's criteria for college fit and match.

APPLICATION and AWARD PROCESS

- Scholarship recipients are selected based on their **application form, essays, and interview**. Applicants will be notified about decisions in **May 2024**.
- Applicants that submit completed applications by the specified due dates will be eligible to move forward to the 2nd round interview. Applicants will be contacted by The SEED Foundation to arrange for a **panel interview** with The SEED Foundation Scholarship Committee.
- **The SEED Foundation Scholarship application opens January 26, 2024. The application will close March 22, 2024. NO LATE APPLICATIONS WILL BE ACCEPTED. Listed below are directions to complete the process.**
 - **On January 26th, by 5:00pm**, students will be emailed the link to The SEED Foundation Scholarship application. Students must submit ALL sections of the application with correct information **by March 22nd, at 5:00pm**, for their application to be considered complete.
 - Once students have successfully submitted their application, they will get an email, from The SEED Foundation Scholarship Committee, confirming their application has been received.

Querida comunidad SEED,

La Escuela SEED continúa basando nuestras medidas de salud y seguridad en las pautas actuales de los Centros para el Control de Enfermedades (CDC), DC Health y la Oficina del Superintendente de Educación del Estado (OSSE). Las políticas de SEED seguirán revisándose o ajustándose para el año escolar 2023-2024 para abordar los cambios en las directrices de salud pública.

Actualmente, hay un aumento de casos de COVID a nivel nacional y es importante seguir minimizando la propagación dentro de la comunidad de SEED.

Tenga en cuenta lo siguiente:

Actualmente, el enmascaramiento es opcional en SEED DC.

La vacunación contra la COVID-19 no es obligatoria, pero se sigue recomendando.

*

Los estudiantes/personal deben quedarse en casa cuando estén enfermos.
