

The SEED School of Washington, D.C.  
*a public charter school*

## **HIGH SCHOOL GRADUATION REQUIREMENTS**

In order to earn a high school diploma from the SEED Public Charter School, a student must complete one hundred (100) hours of community service and earn a minimum of twenty-five (25) credits. A full year course is valued at one (1) credit and a semester course is valued at one half (0.5) credit.

The twenty-five (25) credits required to earn a diploma must include the following:

- Four (4) credits of English
- Four (4) credits of Mathematics
- Four (4) credits of Social Studies to include the following:
  - World History I
  - World History II
  - US History or AP US History
  - American Government/DC History or AP US Government and DC History
- Four (4) credits of Science, to include Biology and two other lab sciences
- Three (3) credits of World Languages
- One and one half (1.5) credits in physical education/health & wellness
- One half (0.5) credit in the Arts
- One half (0.5) credit in Music
- Three and one half (3.5) credits through elective offerings

At least two (2) of the credits must include College Level or Career Preparatory (CLCP) courses. The course may fulfill subject matter or requirements and may include courses at other institutions.
