### Waiting List

Once accepted off of the waiting list, families have 48 hours to accept their offer and submit enrollment documents to SEED DC to secure their child's seat.

### Sibling Preference

Families are important to SEED DC. SEED DC strives to keep households together for ease of parent/school relationships, transportation, school calendar logistics, etc. With this in mind, enrollment preference is given to siblings of any scholar who is attending SEED DC and who submits an enrollment application by the designated deadline. A separate application must be completed for each sibling.

A sibling is defined as a biological or legally adopted brother or sister, as well as step-brothers, stepsisters, or foster children residing full-time in the same household as the current SEED DC scholar.

If you still have questions about the enrollment process or would you like to schedule a campus tour contact the Office of Family & Community Engagement, at (202) 248-3025 or [admissions@seedschooldc.org](mailto:admissions@seedschooldc.org).
