

THE WEEKLY FALCON

for the week of 2/4/2024

NEWS FROM THE NEST

Believing in the Mission. . .

To Our Falcon Families:

As we step deeper into a new semester, please take time to discuss with your scholar, the importance of them choosing to maximize the experiences that are uniquely offered through The SEED Public Charter School of Washington, D.C. As guest visit our campus on a regular basis, they are constantly in awe of the model and opportunities presented to our scholars as part of public education. Well, this reality is embedded in my core; their reactions only strengthen my resolve to create an environment that fosters the highest levels of academic development and holistic growth. We will continue to seek staff that understand this life-changing mission, professionally prepare those who have made a commitment to be part of this charge, and accept nothing less than excellence as our fully-attainable North Star.

At the core of our purpose are our scholars, your sons and daughters. The entire landscape is supported or thwarted by mentality and attitude. With that in mind, please spend some time discussing at home the importance of following the protocols and structures we have put in place. Remind them why coming to class on time, in uniform, and without one's cellphone is an indication that they are ready to learn and value themselves, and their full potential. I fully understand that we are the adults in this equation; my expectations for our team will consistently be higher than those I present to our scholars. It takes all of us to make SEED DC the premiere educational option we strive to be each day.

Now that semester grades have been released; please take time to review your student's outcomes. We are celebrating the 115 scholars who earned a 3.0 or higher for the first term. Fortunately, as we are on an annual grading system, all scholars have the opportunity to choose to thrive, improve, and reposition themselves academically where necessary. The personalized resources that are a part of our new Falcon Hour will directly speak to both deficiencies and areas where a scholar is prepared for higher levels of acceleration. My belief is, through this structure, we will be able to more effectively meet the individual needs of each learner.

As part of our routine quarterly practices, we will again, be hosting Family-Scholar Conferences this Friday afternoon. We hope that many of you will choose to join us and discuss your scholar's celebrations, as well as areas where they would benefit from additional time and assistance. The sign-up

link is below. Please do not hesitate to contact us if you would like additional information about tutoring, acceleration, or enhancing your scholars' academic, social emotional or holistic outcomes. We are here to partner with you, ensure each of our scholars is ready for collegiate success, and on a pathway to a bright and rewarding future. This is the mission of The SEED Public Charter School of Washington, D.C. Our scholars are our purpose.

Believing in the Mission,
Ms. Hood

CLASS OF 2025 ANNOUNCEMENTS

The SEED Foundation Scholarship

SCHOLARSHIP OVERVIEW

The SEED Foundation Scholarship Committee will award up to **21 scholarships for eligible high school juniors attending a school within the SEED network**. The scholarships are designed to help cover a portion of a SEED School student's unmet need for the cost of attendance at right fit college or university. Unmet need is defined as the difference between the total cost of attendance at a college or university and the student's final financial aid package. These awards are often referred to as **gap scholarships**. **The scholarship will most likely NOT cover the entire difference.**

Pending funding each year, **recipients can renew the scholarship and receive funding for a total of four consecutive years**. The maximum amount of the SEED Foundation Scholarship is determined annually in late spring.

ELIGIBILITY REQUIREMENTS

Applicants must be juniors graduating in June 2025 at The SEED School of Washington, D.C., The SEED School of Maryland, or The SEED School of Miami. **Applicants who receive the award must immediately enroll the fall after their June 2025 graduation in a full-time undergraduate program at a right fit college or university**. Recipients will need to meet additional requirements before receiving their scholarship (e.g. attend SGI, attend a summer scholarship meeting, provide financial aid award letter, account balance, etc.). Right fit colleges and universities are those that meet SEED's criteria for college fit and match.

APPLICATION and AWARD PROCESS

- Scholarship recipients are selected based on their **application form, essays, and interview**. Applicants will be notified about decisions in **May 2024**.
- Applicants that submit completed applications by the specified due dates will be eligible to move forward to the 2nd round interview. Applicants will be contacted by The SEED Foundation to arrange for a **panel interview** with The SEED Foundation Scholarship Committee.
- **The SEED Foundation Scholarship application opens January 26, 2024. The application will close March 22, 2024. NO LATE APPLICATIONS WILL BE ACCEPTED. Listed below are directions to complete the process.**
 - **On January 26th, by 5:00pm**, students will be emailed the link to The SEED Foundation Scholarship application. Students must submit ALL sections of the application with correct information **by March 22nd, at 5:00pm**, for their application to be considered complete.
 - Once students have successfully submitted their application, they will get an email, from The SEED Foundation Scholarship Committee, confirming their application has been received.

SCHOLARS WHO ARE PRESENT EVERY DAY FOR THE MONTHS LISTED WILL RECEIVE AN INCENTIVE. INCENTIVES ARE SUBJECT TO CHANGE.

QUESTIONS, PLEASE SEE MS. HOLLOWAY

This is a reminder that in efforts to hold our scholars accountable, you will continue to receive an attendance alert for every period your scholar is marked absent. Please use this weekend to speak to your scholar (s) about the importance of showing up to class on time, prepared and ready to learn. Remember that every day counts! Scholars who are present everyday will receive an incentive at the end of each month.

FULL UNIFORM COMPLIANCE EXPECTED

Please continue to check your scholar's luggage to ensure they have enough uniforms for the entire week, and remind them that bonnets, ski masks, or any other headgear are to be left in the dormitory and not worn during the academic day.

Also, continue to stress to them the importance of turning in cellphones before leaving the residence halls. Cellphones will be returned at the end of the academic day, upon their return to the residence halls.

Thank you for your continued partnership & support!

UNIFORM POLICY

The SEED Uniform Policy

All SEED scholars are expected to be in the full appropriate SEED uniform throughout the academic day. The SEED uniform contributes to ensuring a safe and secure campus in addition to the overall sense of unity as a school community. It enhances the learning atmosphere, adds a sense of pride, and promotes respect for oneself and others. It also builds school and community spirit, and, more significantly, helps to maintain high academic standards and social-emotional development among scholars.

Scholars must check into school with the appropriate number of uniforms for the week and have appropriate clothing for the boarding program. Each week at check-in, student life staff will make every effort to ensure that scholars are properly outfitted for the week, although it is the responsibility of parents and scholars to come to campus fully prepared for the week ahead. In the event your child is not properly outfitted for the week, parents will be called and asked to bring appropriate uniforms and other clothing to campus by 7:00 a.m. the next morning.

Scholars will not be allowed off the residence hall floor without being in proper SEED uniform. If for some reason, scholars make it off the residence hall floor without the appropriate uniform item(s), parents should expect to receive a call regarding their child's uniform violation.

In the event that a scholar does not have the appropriate uniform at school, parents will be expected to bring their child all of the needed uniform pieces.

+ Scholars not in proper school uniform during the academic day will receive a disciplinary response from an administrator.

Only creams, antibiotics, or medical equipment will be sent home on Fridays during checkout and that no student will be allowed to take medication home. Be sure to request for your pharmacist to divide the medication in two (2) bottles, one to keep at home and one to be left at school. Also we have over the counter medications here and all parents should fill out the form if their student needs to take any over the counter medications. All of the medical forms mentioned here can be found on the [health & wellness suite page](#) of the school website.
