

THE SEED PUBLIC CHARTER SCHOOL OF WASHINGTON, D.C.

THE WEEKLY FALCON

for the week of 3/31/2024

NEWS FROM THE NEST...

Gravitating Towards Greatness...

To Our SEED DC Families,

We ended last week, celebrating our scholars who continue to rise the occasion on a daily basis. As we solidify our grade level coordination as a staff, I believe our scholars are benefiting from the increased accountability and consistency. Friday, scholars from each grade level who earned at least 75 Kickboard points had the opportunity to participate in the incentive program with their peers. Close to 50% of our scholars qualified in this first phase and I only anticipate that number increasing. My expectation is that we collectively provide scholars with numerous opportunities to succeed in and beyond the classroom, that our focus becomes those who comprise the majority and come to class every day on time, in full uniform, and without their phones. We will continue to utilize universal methods emphasizing these basic structures that are critical, when creating a meaningful, consistent learning environment. Please talk to your scholar about their opportunity to earn incentives, and be a part of events and activities that will enhance their high school experience.

Simultaneously, I believe there are moments when all school activities create community and build connections. Spring Bling Was partially postponed due to the weather and will resume on Monday. Please talk to your scholar about the importance of making this time in the school-wide setting positive and enjoyable for all involved. I believe that we can plan, host and execute exciting events for our campus family. This is contingent on all scholars recognizing that their behavior and choices impact the opportunities of others. One of our primary charges is to ensure that we are teaching the importance of thoughtful decision-making, that our scholars recognize they are part of a larger picture, and what they do and who they are in each moment is significant. Learning both self-advocacy and self-regulation is critical as we prepare each and all of them for a productive, successful collegiate transition and career.

On Tuesday, we will begin the third and final chapter of our annual MAP testing. As we expressed previously, all scholars in each grade level will be required and expected to sit for this assessment. Please know that we are counting on each of them to perform with the best effort and understand this is a reflection first and foremost of themselves as a scholar. With the successful completion of this two-part assessment will come another chance for us to celebrate those who demonstrate their decision to rise to the occasion. I am continuing to determine the best way to share with you as families, the outcomes and growth demonstrated through MAP testing for your individual student, by grade level, and as a whole school. Next year, we will have curriculum and assessment nights in order to better inform you about your scholars daily experiences in the classroom and in student life, and to clearly layout how we are preparing and advancing each of them for the rigors of the collegiate environment.

I hope you enjoyed the weekend and the extra evening with your scholar(s). I am grateful that you continue to believe in the mission and vision of The SEED Public Charter School of Washington, D.C. as I do.

Warmly,
Ms. Hood

STUDENT LIFE UPDATES

Check-in and Checkout Procedures

All students are required to check-in on Sundays between 7:00 - 8:30 p.m. Students who do not check-in on Sunday will not be permitted to board the remainder of the week, but must still attend school during the academic day. Transportation will not be provided. Please see the following exceptions:

- Medical appointments scheduled for the Monday after Sunday check-in
 - The student must present medical appointment documentation upon arrival to campus to return to the boarding program. Please send an email to attendance@seedschooldc.org to report all medical appointments.
- Student returning from an out-of-school suspension

Students will not have early access to the dormitory on any day. Students who need to depart campus early on any day must bring their belongings with them to the designated location when they transition from the dormitory. **Parents/Guardians/Caretakers must submit an early dismissal request to attendance@seedschooldc.org by 8:00 p.m. on the night before the requested early release day.**

“Carryout Night” Suspended

- Due to the repeated student behaviors that necessitates an increase in supervision and compromises our school safety measures, the weekly “carryout night” incentive is suspended until further notice, effective immediately. Students are not permitted to order outside food or other items. Parents and families are prohibited from bringing outside food or ordering outside food for students. Violation of this order will result in disciplinary actions up to and including suspension from the boarding program.
- Snacks must be brought in with Sunday check-in items. **SEED DC will confiscate and discard any snacks or food items brought in after Sunday check-in during the boarding week.**

Uniform and Cell Phone Expectations

- All students are required to wear school uniforms everyday as has been the protocol since September. The school uniform consists of a SEED polo shirt, khaki pants, and closed-toe shoes.
- Headgear is prohibited including ski masks and bonnets during the academic day and throughout student life programming.
- All students are required to turn in their cell phones in the dormitory every morning before transitioning to the academic building for breakfast. The collection process has been clearly explained to all scholars.

Sign-in and Sign out Procedures

- For student safety and security, students are not permitted to leave campus for any reason, except for scheduled appointments. Students are required to sign out at the front desk prior to departing campus for scheduled appointments. The parent/guardian/caregiver must return with the scholar and provide the appropriate documentation by no later than 8:00 p.m. on the day of sign-out.
- Parents/families are not permitted to grant permission for a student to leave campus for unscheduled appointments. Students who depart campus for unscheduled appointments will not be permitted to return to the boarding program on the day of sign out.
- Students under the age of 18 are not permitted to depart campus without an adult, unless transportation is coordinated with a member of the Student Life Leadership Team.

This is a reminder that in efforts to hold our scholars accountable, you will continue to receive an attendance alert for every period your scholar is marked absent. Please use this weekend to speak to your scholar (s) about the importance of showing up to class on time, prepared and ready to learn. Remember that every day counts! Scholars who are present everyday will receive an incentive at the end of each month.

ATTENDANCE GUIDELINES

EARLY DISMISSALS AND PLANNED ABSENCES

In the event, a scholar needs to leave campus during the school week and will miss any part of the school programming (academic or student life), including Sunday check-in, families should send an email to attendance@seedschooldc.org. The email should include the following:

1. Scholar's name
2. Date(s) of absences
3. Date and time of pick-up and drop-off
4. Name of an adult who will pick up the scholar (proof of identification will be required)
5. If student is departing on their own, please indicate the mode of travel (Uber, Lyft, Metro, etc.)
6. Reason for absence/appointment

Please note:

All communication regarding absences must be submitted in written form by the parent/guardian/caregiver on file. SEED DC will not allow a scholar to leave campus without a prior written communication from the parent/guardian/caregiver on file.

Scholars must be signed out at the front desk in the lobby for early dismissal and signed in when returning to campus. All written communication should be sent to

attendance@seedschooldc.org and should include the time the student will depart and return, mode of transportation, and contact information for an adult authorized to pick the student up.

This includes transportation via Metro, Uber, Lyft, or riding with other families.

Staff may be directed to conduct a follow-up phone call, to confirm details or ask clarifying questions. When a scholar returns to campus following a medical visit, a signed medical note from the medical facility must be presented to the receptionist stating the reason for the absence.

If a scholar needs to leave early on a Friday, families should send an email to attendance@seedschooldc.org no later than 8 p.m. on Thursday evening.

Student Life staff will be notified to have scholars bring their belongings from the residence halls in the morning to place in the academic building.

Please note that emails sent after 8 a.m. will not be honored, as the residence halls are closed from 8 a.m. until student life staff arrives for check-out, 4 p.m. **There is no access to the residence halls before the regular check-out time.**

If you still have to pick-up your scholar, you will have to return to pick up their belongings between 4 p.m. - 5 p.m.

SCHOLARSHIP OVERVIEW

The SEED Foundation Scholarship Committee will award up to **21 scholarships for eligible high school juniors attending a school within the SEED network**. The scholarships are designed to help cover a portion of a SEED School student's unmet need for the cost of attendance at right fit college or university. Unmet need is defined as the difference between the total cost of attendance at a college or university and the student's final financial aid package. These awards are often referred to as **gap scholarships**. **The scholarship will most likely NOT cover the entire difference.**

Pending funding each year, **recipients can renew the scholarship and receive funding for a total of four consecutive years**. The maximum amount of the SEED Foundation Scholarship is determined annually in late spring.

ELIGIBILITY REQUIREMENTS

Applicants must be juniors graduating in June 2025 at The SEED School of Washington, D.C., The SEED School of Maryland, or The SEED School of Miami. **Applicants who receive the award must immediately enroll the fall after their June 2025 graduation in a full-time undergraduate program at a right fit college or university**. Recipients will need to meet additional requirements before receiving their scholarship (e.g. attend SGI, attend a summer scholarship meeting, provide financial aid award letter, account balance, etc.). Right fit colleges and universities are those that meet SEED's criteria for college fit and match.

APPLICATION and AWARD PROCESS

- Scholarship recipients are selected based on their **application form, essays, and interview**. Applicants will be notified about decisions in **May 2024**.
- Applicants that submit completed applications by the specified due dates will be eligible to move forward to the 2nd round interview. Applicants will be contacted by The SEED Foundation to arrange for a **panel interview** with The SEED Foundation Scholarship Committee.
- **The SEED Foundation Scholarship application opens January 26, 2024. The application will close March 22, 2024. NO LATE APPLICATIONS WILL BE ACCEPTED. Listed below are directions to complete the process.**

FULL UNIFORM COMPLIANCE EXPECTED

Please continue to check your scholar's luggage to ensure they have enough uniforms for the entire week, and remind them that bonnets, ski masks, or any other headgear are to be left in the dormitory and not worn during the academic day.

Also, continue to stress to them the importance of turning in cellphones before leaving the residence halls. Cellphones will be returned at the end of the academic day, upon their return to the residence halls.

Thank you for your continued partnership & support!

UNIFORM POLICY

The SEED Uniform Policy

All SEED scholars are expected to be in the full appropriate SEED uniform throughout the academic day. The SEED uniform contributes to ensuring a safe and secure campus in addition to the overall sense of unity as a school community. It enhances the learning atmosphere, adds a sense of pride, and promotes respect for oneself and others. It also builds school and community spirit, and, more significantly, helps to maintain high academic standards and social-emotional development among scholars.

Scholars must check into school with the appropriate number of uniforms for the week and have appropriate clothing for the boarding program. Each week at check-in, student life staff will make every effort to ensure that scholars are properly outfitted for the week, although it is the responsibility of parents and scholars to come to campus fully prepared for the week ahead. In the event your child is not properly outfitted for the week, parents will be called and asked to bring appropriate uniforms and other clothing to campus by 7:00 a.m. the next morning.

Scholars will not be allowed off the residence hall floor without being in proper SEED uniform. If for some reason, scholars make it off the residence hall floor without the appropriate uniform item(s), parents should expect to receive a call regarding their child's uniform violation.

In the event that a scholar does not have the appropriate uniform at school, parents will be expected to bring their child all of the needed uniform pieces.

+ Scholars not in proper school uniform during the academic day will receive a disciplinary response from an administrator.

STAYING HEALTHY & SAFE

Dear SEED Community,

The SEED School continues to anchor our health and safety measures to current guidance from the Centers for Disease Control (CDC), DC Health, and the Office of the State Superintendent of Education (OSSE). SEED policies will continue to be reviewed or adjusted for School Year 2023-2024 to address shifts in public health guidance.

Currently, there is a nationwide increase in COVID cases, and it is important to continue to minimize the spread within the SEED community.

Please note the following:

Masking is currently optional at SEED DC.

*

COVID-19 vaccination is not required but continues to be encouraged.

*

Scholars/Staff should stay home when sick.

*

SEED will continue to test scholars/staff that present symptoms while on campus.
