

THE SEED PUBLIC CHARTER SCHOOL OF WASHINGTON, D.C.

THE WEEKLY FALCON

for the week of 9/17/2023

NEWS FROM THE NEST...

To Our SEED Families:

Fall is upon us. This is a season to step back, reflect and look within to prepare for the coming months of less daylight, temperature shifts and eventually the Holiday Season. While that seems so far away, we will shortly be greeting October, with November and December only moments behind. I say all of this to pose the following questions. . . ***What will we do to make the most of the time we are given? How will we best utilize the weeks, days, and hours, even the minutes, to move closer to the community we are striving to become?***

As our primary partner in the education of this community of bright, capable young scholars with a wealth of potential and promise, I am asking you to spend some time assisting our students in understanding both the importance of their education and the immense opportunities that they are afforded as Falcons. So many of our scholars are engaged in their classroom studies, and also dedicated to their roles on our athletic teams, as members of the illustrious Falcon Theatre, and are active participants in Student Government and a variety of other clubs and organizations. Additionally, each scholar is a part of a Home Room every morning from 8:00-8:20am and a Collegiate House on the floor of their dorm. These small communities are designed to provide our scholars with a strong sense of belonging, while connecting them to both supportive adults and a clearly defined peer group. With this in mind, it is imperative that we create an environment that does not tolerate behaviors that do not build community. Please talk to your son/daughter about the necessity of carrying oneself as a responsible, community-minded scholar who understands we are all deeply dedicated to their future successes in college and beyond. In the coming weeks, we will create space for learning and dialogue in this arena to continue to address conflict resolution in a healthy, productive manner.

Aligned with my vision for SEED DC, I am honored to continue to meet with some of you, virtually or in-person, to discuss the best plans we can collectively create to ensure our scholars have a positive, productive experience each day in the classroom and beyond. We have several exciting events on the horizon. Juniors and seniors that qualify to attend will be participating in the National Association for College Admission Counseling's College Fair Field Trip on Tuesday, September 26. We look forward to seeing you at Back-To-School Night this Wednesday, September 27 from 6:30-7:30pm, and will simultaneously host a College Conversations event for our families. All of our efforts are focused on our pledge of intentionally preparing all scholars for college success. Thank you for your continued support in this immeasurably significant endeavor.

Warmly,
Ms. Hood, Head of School

FULL UNIFORM COMPLIANCE EXPECTED

Please ensure that your scholar arrives to school with proper uniforms for the entire week. Thank you for partnering with us.

UNIFORM POLICY

The SEED Uniform Policy

All SEED scholars are expected to be in the full appropriate SEED uniform throughout the academic day. The SEED uniform contributes to ensuring a safe and secure campus in addition to the overall sense of unity as a school community. It enhances the learning atmosphere, adds a sense of pride, and promotes respect for oneself and others. It also builds school and community spirit, and, more significantly, helps to maintain high academic standards and social-emotional development among scholars.

Scholars must check into school with the appropriate number of uniforms for the week and have appropriate clothing for the boarding program. Each week at check-in, student life staff will make every effort to ensure that scholars are properly outfitted for the week, although it is the responsibility of parents and scholars to come to campus fully prepared for the week ahead. In the event your child is not properly outfitted for the week, parents will be called and asked to bring appropriate uniforms and other clothing to campus by 7:00 a.m. the next morning.

Scholars will not be allowed off the residence hall floor without being in proper SEED uniform. If for some reason, scholars make it off the residence hall floor without the appropriate uniform item(s), parents should expect to receive a call regarding their child's uniform violation.

In the event that a scholar does not have the appropriate uniform at school, parents will be expected to bring their child all of the needed uniform pieces.

+ Scholars not in proper school uniform during the academic day will receive a disciplinary response from an administrator.

In order for the school to administer prescription medication, a [medical authorization form](#) must be filled out by the doctor. Parents must also sign the form before school medical personnel can administer medication. Only creams, antibiotics, or medical equipment will be sent home on Fridays during checkout and that no student will be allowed to take medication home. Be sure to request for your pharmacist to divide the medication in two (2) bottles, one to keep at home and one to be left at school. Also we have over the counter medications here and all parents should fill out the form if their student needs to take any over the counter medications. All of the medical forms mentioned here can be found on the [health & wellness suite page](#) of the school website.
